

# Class Announcements

---

## **Sharing Exams Answers**

Sharing answers on homework is okay.

Sharing answers on exams is NOT okay.

The most important thing is feeling proud of yourself.

When you use someone else's answer, you won't feel proud of yourself.

## **Someone is doing your Homework for you**

Some students have their older sister do their homework for them.

Helping you get the answer is okay.

Doing most of your homework is NOT okay.

## **Bragging**

Some of the boys in our class like to brag, humble brag, show off, and talk about scores.

Mr. Lee is proud of all of you.

Some of you didn't do good on the test.

But Mr. Lee knows you will do much better next time.

That is why he is still proud of you.

## **Inappropriate Behavior**

You are not allowed to poke anyone in the face or on the forehead. Not even for one second.

You are not allowed to grab or hold anyone's hair. Not even for one second.
